10:45 - 12:15 MRE & Digitalization Projects: Examples, Initiatives and Needs from the Atlantic Region

- **Ms. Olatz Ajuria**
Pillar III Coordinator / Ente Vasco de la Energía (EVE)
- **Ms. Marta Pascual**
Spanish NH / Atlantic Action Plan Assistance Mechanism

Panel Speakers:

Ms. Lucía Fraga Lago
([Erasmus MATES Project](#)
Coordinator,
[Fundación CETMAR](#))

Mr. Eugenio Perea
(Director
of Digital
Energy of
[Tecnalia](#))

Mr. José Ignacio Hormaeche
(General
Manager
of [Basque Energy Cluster](#))

Mr. Jorge Galván Falcón
([ProtoAtlantic Project](#) –
Coordinator
& Regional
Director of
[The Innovalia Association](#))

Mr. Pedro M. Mayorga
(Technical
Director at
[EnerOcean S.L.](#))

Questions to the panellists:

- Can you please provide some project or initiative examples where your organization has worked-on for applying digitalization to MRE? What were/are the lessons learnt from these examples?
- How do you foresee the digitalization efforts being done so far in Marine Renewable Energies in the Atlantic Region?
- What further efforts are needed to advance in the digitalization of the MRE sector in the Atlantic Region?

12:15 – 12:30 Closing Remarks of the Webinar

- **Ms. Lara Ventas**
Coordinator/a Nacional del Plan de Acción del Atlántico/ Ministerio de Asuntos Exteriores, Unión Europea y Cooperación
